### **C2210 Clarity Professional Amplified Phone**

The Clarity Professional® C2210™ amplified corded phone, featuring Digital Clarity Power® 3.0 technology, provides intelligent amplification to make soft sounds audible while keeping loud, sudden sounds bearable. With up to 50 decibels of amplification, the C2210™ is an ideal solution for those with a moderate-to-severe hearing loss.

#### **Features:**

- Digital Clarity Power 3.0
- Amplifies incoming sounds up to 50 decibels at maximum of 118 dB SPL
- Multiband Compression amplifies only the human voice while suppressing other unimportant sounds
- Acoustic Echo Cancellation eliminates squealing
- Noise Reduction suppresses incoming line noise and background noises, making conversations more comfortable
- Adjustable volume and tone for a customized listening experience
- Call Waiting Caller ID and Phonebook with 50 name and number memory
- Backlit dial pad flashes to indicate incoming call or alarm clock alerts
- Built-in alarm clock
- 3.5mm neck loop jack
- 2.5mm headset jack
- Hearing Aid Compatible
